ACADEMIC INTERVENTION SERVICES

The Board of Education is committed to providing academic intervention services to students at risk of not meeting the state learning standards. Such services may include additional instruction supplementing the instruction provided in the general curriculum and/or student support services such as guidance, counseling, attendance and study skills needed to support improved academic performance.

Eligibility for academic intervention services will be determined based on a student's performance on state assessment exams and/or in accordance with the uniformly applied district-developed district-adopted procedures. Eligible students will processe consistent with law and regulations which shall
