The Board recognizes its responsibility to enact policies that protect

student privacy, in accordance with law. This is particularly relevant in the context of the administration of surveys that collect personal information, the disclosure of personal information for marketing purposes and in conducting physical exams.

Surveys

The Board of Education recognizes that student surveys are a valuable tool in determining student needs for educational services. In accordance with law and Board policy, parental consent is required for minors to take part in surveys which

Invasive Physical Examinations

Prior to the administration of any non-emergency, invasive physical examination or screening that is required as a condition of attendance, ~~administered by the school not necessary to protect the immediate health or safety~~

of the student or other students and not otherwise permitted or required by state law, a student's parent/guardian will be notified and given an opportunity to opt their child out of the exam. Hearing, vision and scoliosis screenings are not subject to prior notification.

Notification

Parents/guardians and eligible students shall be notified at least annually, ~~at the beginning of the school year and when enrolling students for the first time~~
