RECRUITING AND HIRING
The Board of Education believes that the quality of the district's employees in large part determines the quality of the education offered to the district's students. As the employer for the school district, the Board will provide
and maintain qualified and certified instructional and support personnel to carry out the educational programs of the district.
The Superintendent of Schools shall implement and maintain a high- quality recruiting and hiring program to attract, secure and retain the best- qualified staff to meet the needs of students and the district.
New or Revised Positions
The Executive Director of Human Resources will develop

Recruiting

The district will seek the most qualified candidates for vacant positions by recruiting from a variety of sources, including present staff. District employees may apply for all positions for which they meet the certification and other stated qualifications.

The Board and its employees will adhere to the practice of recruiting and
