Review minutes of April 15, 2021 ,

Regional Digital Library

Collection is being developed. This is a special collection library that is not designed to meet curriculum needs. BOCES SLS purchased NYReads to gain access into that collection. Some purchases are one copy, one user and some purchases are metered for a specific amount of time. Recently added magazines to the collection, 50+ titles at each grade level.

ARPA funding for School Library Systems (\$50,377 for 3 SLS)
NYSED

12/8/21 Liaison meeting & Professional Learning Collection
Development Guidelines and Reconsideration of Materials
